

Preliminary Scientific Programme

Programme is subject to minor updates

Wednesday, 17 June

Time	Activity
19:00 – 21:00	Welcome Reception

Thursday, 18 June – Day 1

Time	Session	Title	Speaker
09:00 – 09:15	Opening Session	Welcome Address	Organising Committee
09:15 – 10:30	High Pathogenicity Avian Influenza (HPAI)	Recent Epidemiology and Interspecies Pathological Presentation	Margarida Henriques (INIAV) & Javier Asín Ros (UC Davis)
10:30 – 11:00	Coffee Break & Poster Viewing		
11:00 – 12:30	Oral Communications I	Selected abstracts - Wildlife	
12:30 – 14:00	Lunch Break		
14:00 – 15:30	Oral Communications II	Selected abstracts - Neoplasias	
15:30 – 16:00	Coffee Break & Poster Viewing		
16:00 – 17:00	Spatial Omics in Pathology	Unlocking Tissue Molecular Information with Mass Spectrometry Imaging	Eduardo Chicano Gálvez
17:00 – 18:30	General Assembly		SEAPV & SPPA

Friday, 19 June – Day 2

Time	Session	Title	Speaker / Details
09:00 – 10:30	African Swine Fever (ASF)	African Swine Fever in Domestic Pigs and Wild Boar: Past Lessons and Present Challenges	Librado Carrasco Otero (UCO) & Antonio Rodríguez Bertos (UCM-VISAVET)
10:30 – 11:00	Coffee Break & Poster Viewing		
11:00 – 12:30	Oral Communications III	Selected abstracts - Infectious diseases	
12:30 – 14:00	Lunch Break		
14:00 – 15:30	Oral Communications IV	Selected abstracts - Emerging diseases	
15:30 – 16:00	Coffee Break & Poster Viewing		
16:00 – 17:00	Lumpy Skin Disease	Lumpy skin disease outbreak in Catalonia	Enric Vidal Barba (IRTA-CReSA)
17:00 – 17:30	Final Scientific Session	Session Chairs Summary & Open Discussion	
19:30	Conference Dinner
